HUTT CITY

Sunday 09 February 2020

Exodus 33:18 says, "Moses responded, "Then show me your glorious presence."

Below in our newsletter I introduce to you the vision of what I believe we need to pursue in these days. The roof of that which is being built is our Corporate mission statement – Caring for people, transformed lives and reforming society. This represents what we need to pursue as we meet with our community here in the Hutt Valley. The foundation stone to which this Mission Centre has placed over the years is "to bring people into a life changing relationship with Jesus Christ." The pillars on the building represent the culture to which we need to build; they being, Presence, Power, Purity, Passion, Purpose, Perseverance. I'm calling us to pursue more of the presence of God. It's easy to pursue what we need to do in applying our talents and abilities, but our first response to God needs to be "Show us your glorious presence." May God bless us as together we pursue His presence.

Welcome Everyone...

At Hutt City we exist to bring people into a life changing relationship with God. Children are valued and are welcome to experience church whanau life with us. Those aged 2—12 yrs are invited to attend Kids Church during the meeting; there is also a Creche for children 0-2 years of age supervised by their parents/caregivers. Our Chinese Fellowship also runs during the service. You are welcome to stay on after the service and join us for a cuppa.
