Hutt City Corps December 2020

Hi Everyone,

And so this is December!! 2020 has been an 'interesting', 'exciting', 'overwhelming' year for all. BUT now we are in December and our thoughts turn towards the celebration of our dear Saviour's birth!

I am always challenged at this time to try and focus on the 'true' meaning of Christmas rather than the 'commercial' side. I want us all to be able to celebrate both and so need to make a conscious effort to do this.

How does it sit for you???

Silent Night, Holy Night, all is calm, all is bright!

Hey, wait a minute!!! Do you really think it was like that? Do you ever hear of the birth of a baby being a 'quiet' time—NO not often! Yet we sing these words and my mind sits with the noise of the animals in the stable, the excitement of the arrival, the astonishment for Mary & Joseph! And then there are the others who come to 'check out' this precious arrival and they bring their own 'noise'.

Christmas time can be like this for us too. Noisy, excitement, busyness, gifts exchanged (some liked, some not :)) And into the middle of this we suddenly remember **THE BABY JESUS, THE SAVIOUR OF THE WORLD! HE IS THE REASON FOR THE SEASON!**

This year let's remember to Come and Adore Him, bow down before Him and acknowledge His amazing Presence in this day.

Have an awesome Christmas. Blessings to you all.
