October 2020

Kia ora, Welcome to Hutt City.

This Newsletter is the first in a while which we want to produce on the first Sunday of each month. Welcome to October's edition.

No need to focus on the past months but today I ask you to embrace a culture where Paul writing to the Thessalonians (5: 16 -18) says the will of God is: to always be joyful, never stop praying and be thankful in all circumstances.

I'm suggesting you cannot make yourself joyful, but it is a choice to choose to allow the joy of the Lord to be our strength.

Joy speaks of our connectedness to God.

Today, we choose joy. We want the Holy Spirit to overflow in and through us with joy. Secondly, Paul tells us to never stop praying. This is such an important word for us here at Hutt City. How easy it is to stop praying? But no, we are being encouraged to never stop praying. Find the ones and two's to come together to pray. Matthew 18: 19 – 20 says, "I also tell you this: If two of you agree here on earth concerning anything you ask, my Father in heaven will do it for you. For where two or three gather together as my followers, I am there among them."

Thirdly, in everything be thankful. Again this is a choice. To choose to be thankful in the midst of all circumstances.

God bless you

Ivan and Glenda Bezzant - Majors (Pastors)

I would
encourage each
of us to focus on
these areas as we
pursue the will of
God for our lives
and Community
of faith.
