Hutt City Salvation Army

Hutt City Corps July 2021

God wants to take us from being Pseudo to being Authentic! What does this mean? Pseudo means to be not genuine, counterfeit, looking real but not. Authentic means genuine, real and true. As a Community of Faith and as individuals its possible to cover up and live not being true to the life God calls us to live. God's goal for us is to be authentic in faith, love and obedience. To believe and act like Jesus.

God's process of taking us from Pseudo to Authentic is to take us through the tunnel of chaos. Through confusion, pain and chaos of life, God begins to reveal what is not true and in repentance, and allowing His Spirit to change us, we are changed into His image.

This is our journey here at Hutt City. Thank you for committing to working with the Holy Spirit to bring transformation.

God bless you
