*We exist to bring people into a life changing
relationship with Jesus Christ*

September 2022

Winter is coming to an end and we are looking forward to Spring and Summer! Looking outside, it's still raining! I'm assured we are transitioning from winter into spring. Although the reality of the day would reinforce we are experiencing winter conditions with rain and being cold, we live in hope and look forward to a change in season.

I'm sensing this also for Hutt City. We have experienced a very difficult time in the life of the Church. I can report financial loss over the last 12 months, with people disengaging in opportunities to come together and be involved, which has meant a number of programme changes. Yes, life is different around Hutt City to what we encountered before Covid.

However, there are signs of change. There are obvious signs of the Spirit moving in our midst. New ideas for moving into the future. People testifying to transformation. Could I be bold and say spring is coming! I suggest as we move into the future, we do three things: 1. Hold things loosely, 2. Be flexible, 3. Soak everything in prayer.

I'm believing for spring to come! Will you join me and believe for growth and change as we move forward together.

God bless you

Ivan and Glenda Bezzant
