*We exist to bring people into a life changing
relationship with Jesus Christ*

Newsletter October 2022

I love the meditations and daily readings from Susie Larson. These appear on my facebook page everyday and bring loads of encouragement and challenge to me.
I am sharing one of those today praying that God will speak to you through these words in this time of tiredness and weakness.

May you take a new grip with your tired hands and mark out a straight path for your feet.

God has given you promises to hang onto and enough light for the road in front of you.

*You have what you need to stand in faith and embrace joy.
Tell your soul that the devil will not stand in the way of God's promises.*

*Remember this: he has no power to steal your purpose from you!
The Lord Himself fights for you! So take your stand, hold your ground, and refuse to be bullied by your fears.*

Jesus won the war so you can win this battle. You are mighty in God, my friend! [#SusieLarsonBlessings](#)

Hebrews 10:12-13 NLT ~ So take a new grip with your tired hands and strengthen your weak knees. Mark out a straight path for your feet so that those who are weak and lame will not fall but become strong.

As we step into the month of October, may your body, soul and spirit be encouraged and uplifted by these words.
